

A - TN 2405, Cape Town

Availability status:	Available now in Cape Town
Race:	Coloured/ Mixed race
Age:	28
Hair colour:	Think dark brown hair
Eye colour:	Brown eyes
Has children:	No
Proven donor:	Yes
Post matric studies:	Yes
Other physical information:	1.6m., 69kg., fair skin complexion, size 3 shoe, B cup, dimples
Face shape:	Heart
Other personal information:	South African nationality, Aquarius star sign, O+ blood group, Christian. Candidate is employed in administration, but would really like to study to be a chef. The beach is her happy place. She loves the outdoors and Italian food. She is an honest and opinionated person but can come across as shy. Non-smoker. Reason for donating: I would like to make another woman's dreams come true of experiencing what it would be like to be a mom. I would also like to add that I know what it's like having to make a really tough decision. At times when I think about my decision, I

	regret them, but I have to live with it. I can make someone else's life better by blessing them with what they want most.
Reproduction history:	No children and good quality eggs in previous donations.
Views on religion and spirituality:	Christian

Preferred town to donate:	Cape Town
Towns available in which to donate - travel costs will be covered:	Array

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
