When she is not working or studying, she spends most of her free time with her family. She loves being out in nature, so is either out hiking in the mountains /forests or out walking my dog along the beach. She loves cooking and can get lost in the kitchen. She thoroughly enjoys preparing a tasty meal that she knows her family will enjoy. She aspires to live a balanced and healthy lifestyle despite her business. She believes that being well

	organized and great at sticking to routines permits her to get the most out of life amidst the amount on my plate. Non-smoker. Reason for donating: Being a mother or parent for that matter is one of life's greatest of gifts and I'd really love to be able to help those longing to experience this. "A candle loses nothing by lighting another candle". To be able to add love and light to another home will bring the greatest of joys!
Reproduction history:	I've got a healthy 16 month old daughter and had a healthy pregnancy with no complications. My daughter was delivered via an elective c-section where there were no complications either.
Views on religion and spirituality:	I'm a Christian and do not discriminate against any other beliefs. I practice my religion through prayer and attending church services when I can.

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
