Face shape:	Triangular
Other personal information:	South African nationality. Candidate is an introvert, but opinionated person. She studied project management and worked as a construction manager. Non-smoker. Reason for donating: I've seen a woman's heart broken because she couldn't have a child and I wish I could help (didn't know about being an egg donor at the time), she told me her story about how she tried everything but still couldn't have children. I believe that if one is reaching for this step then one should do whatever one can do to become a mom. Just because

	you probably having a really hard time falling pregnant, doesn't mean you not meant to be a mother.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
