

S - LK 4205, Rhodes

Availability status:	Available now in Port Elizabeth
Race:	African Black
Age:	26
Hair colour:	Black
Eye colour:	Black
Has children:	No
Proven donor:	No
Post matric studies:	No
Other physical information:	1.54m., 73kg., curvy lower body, front teeth slightly protruding outwards due to thumb sucking.
Face shape:	Oval
Other personal information:	Christian, South African (born and raised), blood group is unknown. Candidate is a full time Rhodes university student. She enjoys reading (fictional novels), baking and hiking. She is shy, friendly, sensitive and very secretive. Non-smoker. Message to recipient: I am so excited to go on this journey to help thousands of women who dream of having their own families. I am doing this with a pure heart and I pray it brings you joy, love and comfort.
Reproduction history:	No children and no donations as yet.

Views on religion and spirituality:	These are considered holy and they shape individuals to becoming who they are and what they want to be. It also shapes our societies in distinguishing the right from wrong and to act virtuous
-------------------------------------	---

Additional Donor Information

Initial Information

In which town and province do you live?	Rhodes, Eastern Cape
Nationality:	South African
Where were you born?	South Africa, KwaZulu-Natal
What language(s) do you speak?	IsiZulu and English
Year of birth:	1996
Age:	26
Star sign:	Aries
Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I had a family member who could not have children and unfortunately she passed away without having children. I want every woman to have the chance to become a mother and enjoy motherhood. To my recipient, I have no doubt that you will make a great mother and your child will be the most loved human being.
How do you best describe yourself?	I am shy, I get comfortable once I know people. I am sensitive, I cry when I'm happy and when I'm sad. I prefer and enjoy my own space and company. If I'm not studying, reading or baking I sleep. I prefer being indoors because sometimes it's hard for me to make conversations.
Relationship status:	Single

Egg Donation Stipulations

Please indicate if you have any donation	Anonymous donation.
conditions or criteria such as persons to whom	
you prefer not to donate:	

Preferred town to donate:	Port Elizabeth
Towns available in which to donate - travel costs will be covered:	Array

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	I have no specific donation criteria except for family members
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
