

S - LM 3861, Johannesburg

Availability status:	Available now in Johannesburg and Pretoria
Race:	Black
Age:	21
Hair colour:	Black
Eye colour:	Brown
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.61m., 66kg., brown complexion
Face shape:	Round
Other personal information:	South African nationality. Candidate is an LLB student. She is a bubbly, loving and caring person but shy sometimes when meeting different people. She helps as much as she can with community service. Non-smoker. Reason for donating: I decided to join the donor group because I read about it alot online and seeing all the woman struggling really touched me, so I have been thinking about for a while now but did not have courage to do it, I got so much information that I decided that there will be no harm in me doing it.
Reproduction history:	No children and no donations

	as yet.
Views on religion and spirituality:	I believe that everyone has the right to believe what they were taught when growing up and what they think works for them. I do not have a problem with anything as long as it makes you good and loving it.

---	------

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Array

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
