Eye colour:	Brown
Has children:	Yes
Proven donor:	No
Post matric studies:	No
Other physical information:	1.62m., 56 kg., small round healthy build.
Face shape:	Round
Other personal information:	Christian, South African, O+ blood group. Candidate is a stay-at-home mom to a young baby. She aspires to complete her matric, which was halted due to unforeseen circumstances. She describes herself as a soft, caring and loving person that puts her family's needs before anything. Family is everything to her! Non-smoker. Reason for donating: I have seen so many people struggle to conceive and I would love to be a blessing to people who I can help.
Reproduction history:	I was pregnant twice. In 2018 I fell pregnant to a baby girl unfortunately she got sepsis

	<p>due to government hospital being negligent and passed away 8 days after birth. Second baby girl was born in 2021 very healthy turning 2 in September 2023. Non-smoker. Reason for donating: I have seen so many of my loved ones struggle with infertility especially my sister in law that has pcos and it breaks my heart to know that so many couples out there carry this heartache and if I can be that person to bring a little bit of joy by making a future mom and dad's dreams come true (giving them their forever family) that would be the biggest blessing.</p>
Views on religion and spirituality:	Christian

**Confirmation**

I have only made myself available as an egg donor with baby2mom:	No
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
