Other personal information:	<p>South African nationality. Candidate is in an Industrial engineering internship. She enjoys exercise, reading books, watching movies and writing. She is an introvert, kind, is empathetic and shy. Non-smoker. Reason for donating: I used to stay with someone who couldn't have children, she wanted one so desperately, I used to see how frustrating it can be for her. So when I learned that I could help someone who might be in the same situation as her by donating my egg, and that donating does not mean I'm risking the chances of me having my own some day when I'm ready, I thought why not, especially because I have</p>

	nothing to lose, but something to gain.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	If it works for people then it's good for them. I think spirituality is important to be practiced and taken into consideration

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None

<p>All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:</p>	<p>Yes</p>
