She believes that we should carry on learning as much as we can throughout our lifetimes. She is quite musical: played the saxophone since grade four. She holds a degree in anthropology studying to get her psychology degree. She has a great interest in people and enjoys trying to figure out why they do the things that they do. She is a very dedicated and conscientious person, works hard to achieve

	<p>her goals. Non-smoker. Reason for donating: I believe that there are so many things that we can do to give back to the people around us. Whether that is donating blood, or time in the form of volunteer work no matter how small the act may be to the individual it can make a vast difference for the person on the receiving end. Being able to provide someone with the chance to achieve their dreams by sharing a small part of myself is a rewarding experience. Being able to provide happiness and joy to someone through doing something like this would mean I have achieved what we are supposed to do as human beings, be happy and live fully.</p>
Reproduction history:	No children and good quality eggs in previous donation resulting in a pregnancy.
Views on religion and spirituality:	I am not a religious person but I respect those that are

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor.
