

S - ZP 4727, Verulam (Kzn)

Availability status:	Available now in Durban and Umhlanga
Race:	Black
Age:	34
Hair colour:	Black
Eye colour:	Black
Has children:	Yes
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.69m., 80kg., dark complexion.
Face shape:	Diamond
Other personal information:	South African nationality, of coloured and Sotho ancestry. Candidate holds a qualification in sports management. Non-smoker. Reason for donating: I would like to help those I'm need of babies, this is especially after meeting a lady at work last year who touched my heart as she poured her heart out to me regarding her difficulty to conceive and had been married for some time, even said that the only thing that would make her life complete is a baby and this inspired me to want to help women and couples like them.
Reproduction history:	Three children and no donations as yet.

Views on religion and spirituality:

I am Christian, my views on religion are that a person chooses their religion or spirituality based on what aligns with their energy and none is bad or inappropriate

Towns available in which to donate - travel costs will be covered:	Array

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	I'm ok with anything as long as I'm helping someone in need.
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
