Other personal information:	South African nationality. Candidate is employed as an administrator. She appreciates the learning. Although she has an interest in fashion designing and hairdressing, she does not have much of a support system so it's very challenging to get where she wants to be and pursue her dream career. People describe her as introverted, independent kind and jolly. Light to non-smoker. Message to recipient: Take care of yourself it's important to prioritise your physical and emotional health during this time make sure you eat well. Get enough rest and engage

	in activities that help you relax and de-stress.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I respect and value all beliefs and practices related to religion and spirituality. I believe that every individual has the right to their own beliefs and that it is important to approach these topics with an open mind and a desire to learn from others. I think that religion and spirituality can be a source of comfort, guidance, and community for many people, and that practicing religion can be a positive way to connect with others and with something greater than oneself. However, I also recognize that there are many different perspectives on these topics, and that not everyone may share the same views or beliefs.

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor.
